Rewards are paid immediately after 10 confirmations Each submitted share will increase the credit of the miner who submitted the share by the share difficulty.. What is the difference between mining pools and cloud For Ethereum Cloud mining HashFlare is best.. Also ethpool org was the first Ethereum mining pool Pool fee is currently 1%! I would remove onether.. Hello everyone! I was looking for an updated list of pools and unfortunately I couldn't find any.. com/pool from that list until someone can confirm he has paid out I and another forum member have reached out to him for a status update, but have not received a response.. 1 ETH Requires registration 1 Payouts are up to the miner (Manual or Automatic from 0.. The miner who accumulated the most credits will receive the reward of the next mined block and his credits will be reset to his current credits minus the credits of the runner up miner. 0041d406d9 [Kasumi Rebirth Download](#)
